

AFTER SCHOOL MATH CLUB

The After School Math Club will be held 5:30-6:30 on Monday evenings from January 23rd through June 4th. The Math Club will be facilitated by Sandeep Reddy (8th grade), a Hilpert Scholar from the Prairie School. Featuring math enrichment activities, new problem-solving techniques and homework tutoring, the club provides a place for 2nd-7th graders to learn and share with fellow math students.

To register, for the After School Math Club,
