Timeline: 6/17/15, letter of intent signed with NorthTerra

Progress: August 17, 2017, request for extension to February 1, 2019 by NorthTerra approved by library board pending notification regarding the status of escrow funds. Robert Henzl confirmed that escrow funds in the amount of \$2,000 were deposited with Knight Barry Title in February, 2016; these have now been transferred to the library. Laura from City Hall did find a deposit of a \$2,000 check for the land option made in January. So they are paid up, now, with a possible additional \$2,000 coming in January of 2018 if they ask for another extension.

January 18, 2018, board approved tabling for one month pending legal question.

March 15, 2018, no action was taken.

July 19, 2018, memo from NorthTerra of June 20, 2018 presented to library board: *last night the Common Council approved the \$13M loan funding for the downstream water storage tank. This will, in effect, allow of the eventual lifting of the sewer moratorium that we've all been "patiently" waiting for. However, Mount Pleasant has stated that it cannot lift the moratorium until the new collection system is fully operational and tested which could be until July or August 2019.*

As you know, we currently have a contract in place with the library foundation to purchase the property. Our contract is in effect until February 2019. In communicating with Keith Haas this morning it appears that work has just begun by clearing the trees on the site to make room for the construction of the tank. We are asking to further extend the contract under the same conditions and payment of \$2,000.00 until February 2020 in order to give us all some assurance that the system is fully operational to the standards of the Racine Water Utility and in full compliance of Mount Pleasant's intergovernmental agreement with the city.
