

RACINE PUBLIC LIBRARY

Local Artist Display Policy

Purpose

The Racine Public Library would like to support the local arts community by offering artists the opportunity to publicly showcase their work. A team of library staff will select a theme and submissions from the community will be requested on a regular basis. The chosen art work will be selected based on quality and best fit with the theme, at the discretion of the library team.

The Display Space:

A display space will be chosen for the artwork, which may move from time to time. Free-standing artwork will be roped off, for the safety of the public. The display space available will be included in the application.

Rules and Regulations Governing Circulation of Materials

The Library Director shall be responsible for developing and implementing procedures governing the display of local artists. These procedures shall be consistent with the principles outlined in this policy.

Approved October 18, 2018
