Maker Monday

Racine Public Library won't "force" (Star Wars reference) you to come to Maker Monday. But if you want to check out the library's 3D printer you should come!

Wesley printed his very own 3D Darth Vader with the help of the library's tech team. You can too! Explore the 3D printers, laser engraver, virtual reality, and more every second Monday of the month.

The Innovation Lab is open for Maker Monday, Dec. 13th from 9 a.m.-7 p.m.

The Library Call Center

Leah is one of the friendly staff members that works on the call

center. A patron she recently helped, appreciated her customer service so much, he brought her a kringle! Have a question? Need to put a book on hold? Having trouble finding something? Call the library at (262) 636-9217 and speak to a REAL person, just press "2." The library's call center is available to take calls Monday - Thursday 9 a.m.-8 p.m. and Friday-Saturday 10 a.m.-4 p.m. A chat option is also available on the Racine Public Library website.

(Gift of kringle not required, but appreciated)
