2022 Wisconsin Primary Elections

Tuesday, August 9 | Polls Open 7 a.m. - 8 p.m.

What is the difference between a Primary and General election?

A Primary Election is held by political parties to select their nominees for the offices to be elected at the upcoming General Election. In a primary, Republicans run against Republicans and Democrats run against other Democrats. And, of course, if other parties qualify to appear on the primary ballot, their candidates run against each other as well. During a Primary voters may choose only one party to vote for.

A regular State Primary Election is held in August of every even year. Special primary elections are held as needed.

What's on the Ballot?

Wisconsin Primaries: Governor, Lt. Governor, Attorney General, Secretary of State, State Treasurer, U.S. Senator, Representative District 1 and State Senator District 21

Library News & Updates

Renovation: Moving On Up

As construction continues on the second floor, more of the materials upstairs will need to be moved to accommodate. We apologize for any inconvenience. Please ask a [staff member](#) if you have trouble finding anything.

Fewer Public Computers

There will be fewer public computer stations while carpeting is placed throughout the building due to limited usable space. Remaining computers and the nearby staff service desk will

move from the back corner of the second floor to the space across from the second-floor bathrooms. If computers are busy during your visit, you can check our [Beyond Books Collection](#) for laptop availability.

Relocating Collections

The Spanish and travel collections will shift to different places throughout the second floor. Graphic novels will also be relocated throughout the second floor, with most to be placed in front of the history room.

Voting Station

The voting station will be unavailable during carpeting.

New Staircase

The construction team will begin setting up partitions to begin construction on the new staircase once all parts are available. The first-floor bathroom won't be open once this begins, but the second-floor restrooms will stay open.
