The library building and Bookmobile will be closed on Friday, Jan. 6 for construction. The work for this day will require the building's heat and power to be turned off, so the building will not be accessible until the following day — Saturday, Jan. 7. We apologize for the inconvenience and thank you for your continued understanding as we complete the final stages of our [renovation](#).

The library building and Bookmobile will be open for their normal schedules from 10 a.m. to 4 p.m. on Saturday, Jan. 7. You can [see the full Bookmobile schedule](#) for the day on our website.

Starting off Your New Year Right

Happy New Year

The Racine Public Library is your first stop for New Year's resolution success! If you're looking to get healthier, budget better, start a new career, develop some new hobbies or just to read more, the library can help. Your local library has tons of resources, materials and services to help you achieve your goals.

New Year, Better You!

Let's start the year off right! The library has hundreds, if not thousands, of books on finance, budgeting, meal prep, workout plans, crafting, gardening, and even raising backyard chickens. For almost anything you're interested in, we have a book about it. We maintain [our non-fiction collection](#)

diligently, ensuring all our books are topical, in good condition and full of up-to-date information. If a topic you're looking for isn't in the Racine collection, we also have an extensive [inter library loan](#) system that can bring materials in from all over the country.

Go for that Career Change or Promotion!

Is this the year you're planning to go for that promotion or career change? Every Tuesday from 9-11 a.m., the Job Center of Wisconsin hosts pop-up career help sessions in the library. The Job Center can help you spruce up your resume, provide interview prep, strengthen your job search and more — just stop in to get started. If you aren't able to stop in, you can also reach out to the Job Center to set up a virtual session.
