

## What's New at the Library

### The SHARE Anywhere app has been discontinued

The SHARE Anywhere app has been discontinued by its vendor. We have been told by our app developer to expect that most functions on the app will not be available for the foreseeable future.

In the meantime, patrons can still search the catalog and access account information on their smart device by visiting [RacineLibrary.info/catalog](https://RacineLibrary.info/catalog).

We know that the loss of these functions on the app is frustrating for the many people who use it on a regular basis, and we apologize. We will post updates as we receive more information. Thank you for your patience.
