

## What's New at the Library

### The Library app is back!

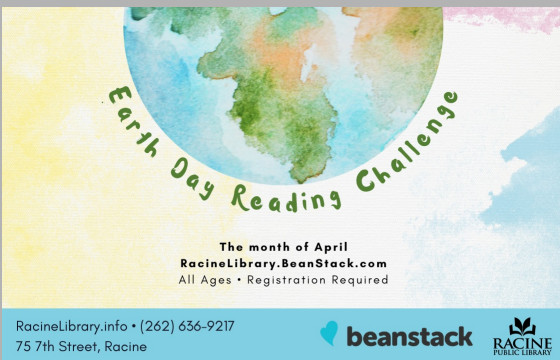

The library app is back! If you still have the SHARE Anywhere app on your device, it is now syncing correctly, and you can once again log in to use it to manage your check-outs, browse the catalog, place holds and more. If you don't have the app on your device, you can download it from [Google Play](#) and the [Apple App Store](#). All you need to sign in is your library card number and PIN.

If you continue to experience any issues with the app, please visit the Preferences page and click the "Reload" button.

The restoration of the SHARE Anywhere app is temporary. Be on the lookout for a replacement version of the app in the coming months. We will send out additional updates when it's time to switch over to the new app.
